CASE STUDY

Increasing Lead Gen for Home Services

Dual Digital Strategy Provides More Leads at a Lower Cost/Lead

CHALLENGES

High/Unprofitable lead cost

Unpredictable month over month lead volume

Variances made it difficult to manage labor and plan for growth.

SOLUTIONS

Utilized strategic bidding strategies across Search.

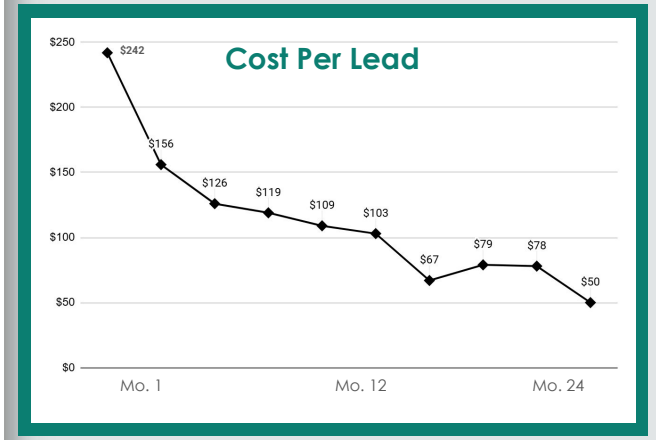

Applied Social branding to elevate Search performance.

Implemented additional omnichannel strategies to further reduce cost per conversion in month 22.

RESULTS

80%
Reduction in cost per lead over 2 years

5X
More Leads at same investment

Leveraging advanced bidding strategy across **Search**, combined with keenly focused targeting and messaging on **Social** resulted in **predictable and consistent lead generation at a profitable rate** over two years giving the client **the confidence** to commit the resources to further **grow business.**
