## AD RESPONSE BY MEDIUM

**BIGGEST LIFT VS. U.S. ADULTS**

## Text link

**+24%**

more likely than U.S. adults to act on a text link ad

**Marketers' Note:** Social, streaming TV and search move the most psychologist and counseling patients to act. Text link shows the biggest lift over the average adult (+24%).

2026 AudienceSCAN® study. Percent who saw or heard an ad of each type that led them to take action in the past 30 days, based on everyone in the group, not just users of each medium. "More likely" figures are percent differences vs. all U.S. adults; the banner figure averages all 17 media.
