CASE STUDY

Increasing Lead Gen for Home Services

Dual Digital Strategy Provides More Leads at a Lower Cost/Lead

Home Services | Search · Social

RESULTS

80%

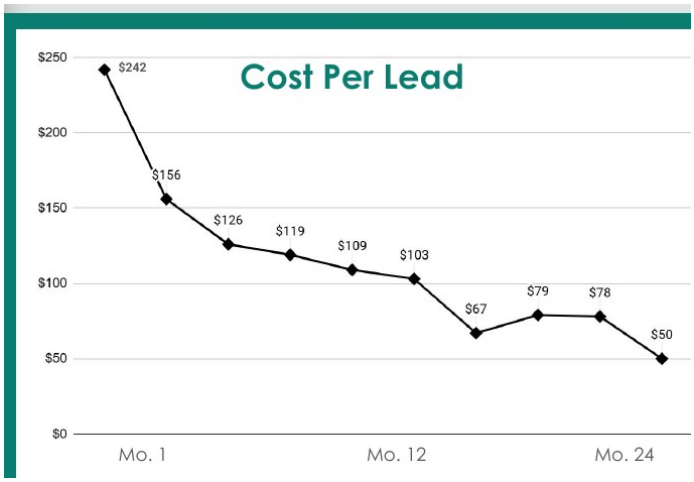

Reduction in cost per lead over 2 years

5X

More Leads at same investment

Challenges	Solutions
High/Unprofitable lead cost	Utilized strategic bidding strategies across Search.
Unpredictable month over month lead volume	Applied Social branding to elevate Search performance.
Variances made it difficult to manage labor and plan for growth.	Implemented additional omnichannel strategies to further reduce cost per conversion in month 22.

Leveraging advanced bidding strategy across Search, combined with keenly focused targeting and messaging on Social resulted in predictable and consistent lead generation at a profitable rate over two years giving the client the confidence to commit the resources to further grow business.
